

## 7<sup>th</sup> grade Summer Reading Requirements

**Fiction:**     *The Grimm Legacy* by Polly Shulman

The above fiction selection is designed to get students thinking about elements of narrative, character study, and allusions to fairy tales, myths, and legends.

**Nonfiction:** *Strong Inside- Young Readers Edition* by Andrew Maraniss

This nonfiction selection is recommended, as it tells the local true story of the first African American to play college basketball in the South in the 1960s. The author notes that there is limited use of the derogatory racial terms used during that time to accurately portray history.

OR
