

RISING 5TH GRADE SUMMER WORK

A NOTE FROM YOUR 5TH GRADE TEACHERS,

In this packet you will find your summer work! There are three different components to your summer work activities.

They are:

1. Complete presentation with a service component.
2. Complete xtra math 4 days a week for a total of 30 times logging in!
3. Complete the ELA portion. This can either be broken up throughout the summer or done at once. Your choice!

SUMMER MATH

5th Grade

xtraMath

xtraMath is a non-profit program that allows students to practice daily math facts for free.

This summer, your child should work on xtraMath 4 days a week for a total of 30 times. Please keep up the login times. My suggestion is to have them do this Monday - Friday (pick 4 days) and take a break on the weekends. After the initial testing is done on the first day (which takes 15-20 minutes), your child will spend no more than 10 minutes a day on xtraMath. I will be following their

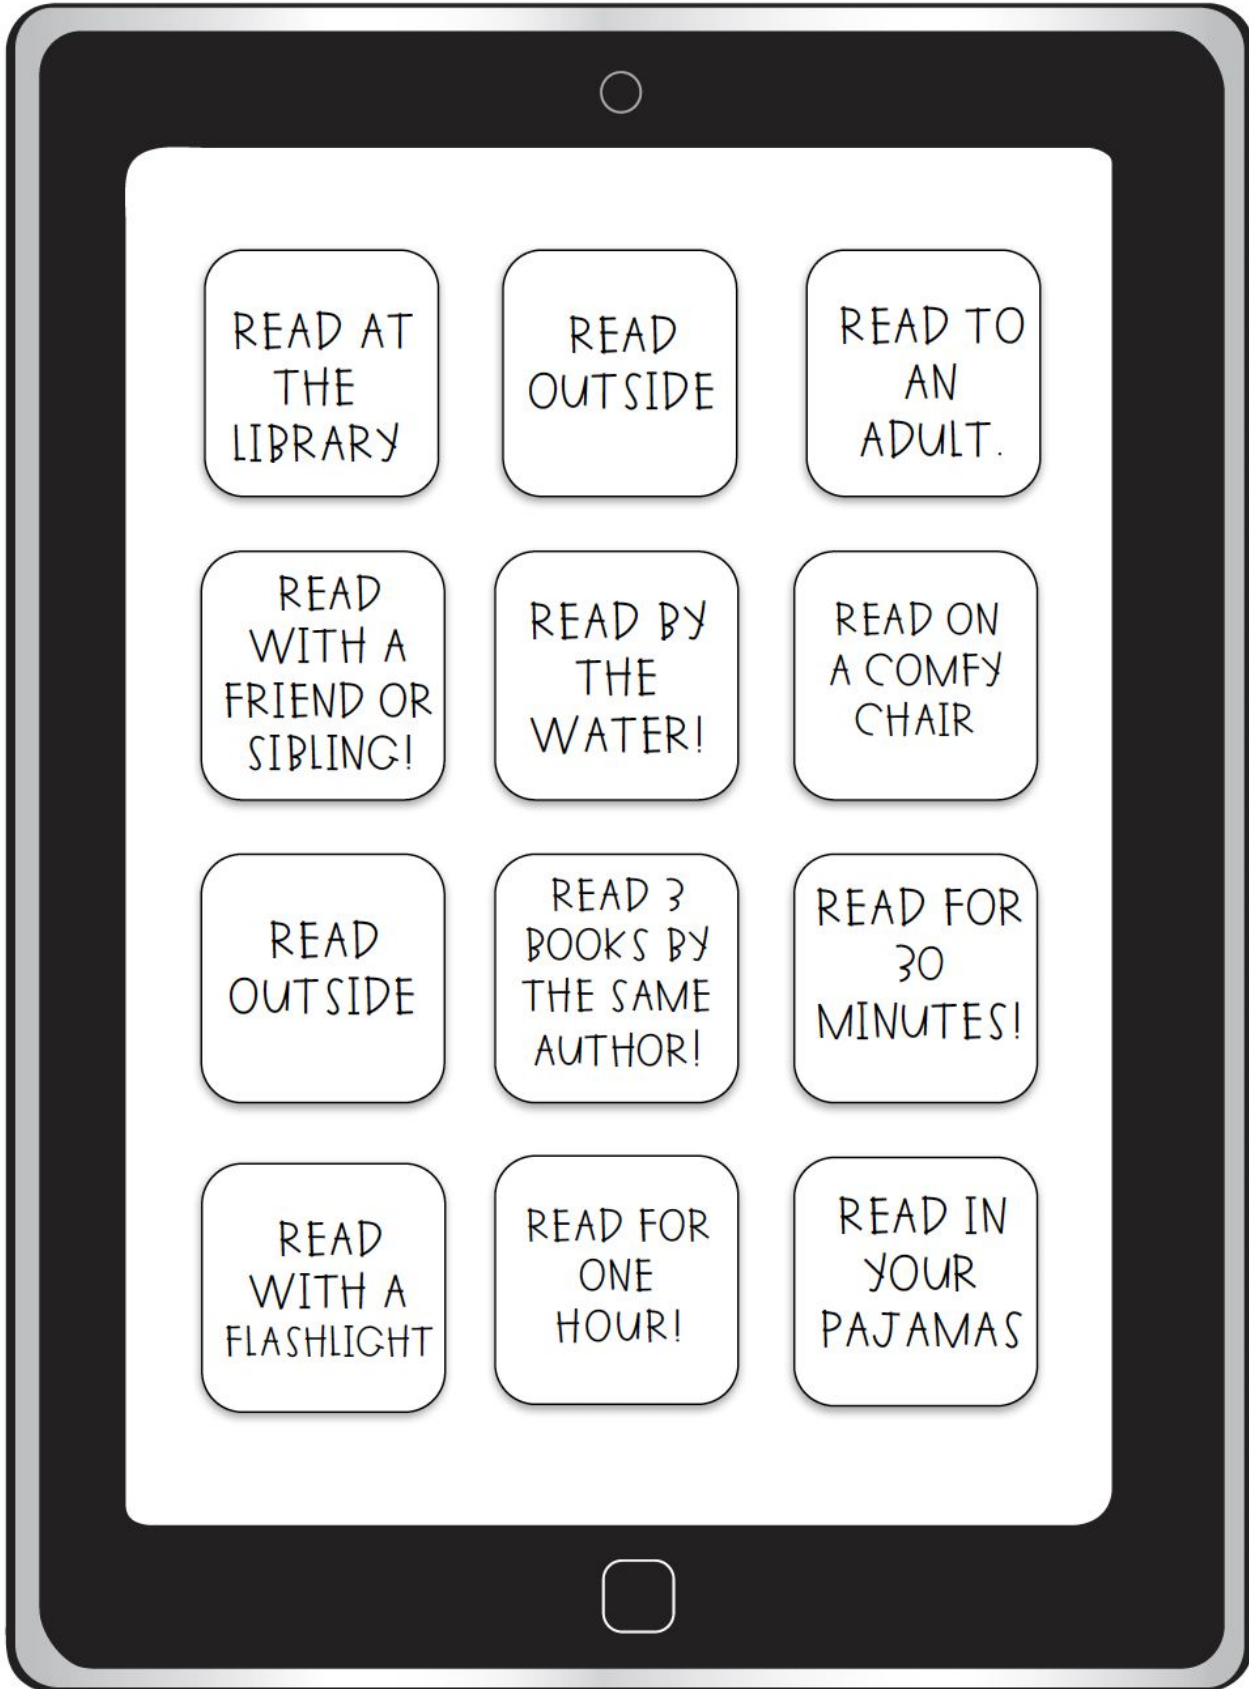

progress throughout the summer. I will take a grade on 4 random days!

Knowing multiplication facts is VITAL to success in 5th grade math.
