

GRADE 7

Assignments for February 18-19, 2021
For up-to-date assignments, please check FACTS.

7th Grade Bible - A

Teacher: Emily Johnson

Topics this Week: We will continue our study on the Book of Mark.

Tests/Quizzes/Projects: The students will have an assignment posted on google classroom called "The Book of Mark: Session 6" with a video to watch and questions to answer.

Reminders:

7th Grade Bible - B

Teacher: Kory Crow

Topics this Week: The Gospel of Matthew

Tests/Quizzes/Projects:

Reminders:

7th Grade Bible - C

Teacher: Mike McPherson

Topics this Week: How the united kingdom of Israel, under, Saul, David, & Solomon, split into two countries, similar to our Civil War. We will discuss how many Christians today have church arguments, splits and tear apart God's assembly of Christians.

Tests/Quizzes/Projects:

Reminders: **Live, Google Meet, Friday, Join between 11:10 - 11:15.**

Language Arts - A, B, and C

Teacher: Matt Ogle

Topics this Week: We will continue to learn about Black History month: What is Juneteenth? We will have a paragraph edit to continue to practice our grammar and language skills. We will have a 4-Question Friday to practice our text analyzation skills. We will discuss Independent Reading projects to ensure we are prepared to begin working on them soon. Students will also be given time to read their books or plan for their projects during class time.

We will have a live Google Meet on Thursday and Friday unless something changes that. Please check RenWeb for changes.

Tests/Quizzes/Projects: Independent Reading projects are due on March 8th.

Reminders: Please get all missing assignments/makeup work completed over the next few days.

Pre Algebra - A

Teacher: Chandler Clark

Topics this Week: Approximating Square Roots; Converse of the Pythagorean Theorem

Tests/Quizzes/Projects: None

Reminders: Check Renweb/Google Classroom for missing assignments/updates

Pre Algebra - B and C

Teacher: Lauren Hawkins

Topics this Week: Triangles and angle measures of triangles. Specific instructions, videos, and assignments will be posted on Google Classroom for students. Renweb will also have detailed agendas for Thursday and Friday of distance learning.

Tests/Quizzes/Projects: None

Reminders: Check Google Classroom for detailed assignments.

Science - A, B, and C

Teacher: Sarah Moore

Topics this Week: Review Genetics Unit

Tests/Quizzes/Projects: Our test will be postponed to next TUE for A Day and WED for B Day. We will start our class times this THU and FRI on Google Meet for virtual learning. We will review and complete some activities together and independently.

Reminders: **Please** Make up any missing assignments as soon as possible.

Social Studies - A, B, and C

Teacher: Leah Riek

Topics this Week: At the beginning of class on Thursday and Friday, we will start class by meeting on a Google Meet (link on Google classroom). This is how I will be checking attendance. Review and Open-note/Textbook Test over Japan Unit (see details below). Students will need to complete their Black History Month projects and be prepared to present in class next week.

Tests/Quizzes/Projects: **Online Japan Test on Friday (A day) - students will be allowed to use their notes or textbook on the test.** B day will take their test next Monday (2/22), their test will be open note/textbook as well.

Reminders: Due to weather, Black History Month projects will be due and presented next **Tuesday 2/23 (A day)** and **Wednesday 2/24 (B day)**. I will post an assignment on Google classroom if students would like to submit their project early.
