

The ancillary fee paid by each family covers the majority of your student's supplies. However, there are a few items that each student is responsible for bringing the first day of school.

You can find these items below.

All students need an Adventure Bible. Some of these were taken/sent home during Distance Learning. Please be sure that you keep it for next year. If your child did NOT bring their Bible home for Distance Learning, then it will be waiting for them in their classroom this fall. New students will need to purchase an Adventure Bible at registration.
